

## Build A Rate and Weight Table

You have seen a Weight and Rate Table for choosing a class. **Apply this Reasoning Tool to consider a club to join or learn more about.**

Your Values:  
**What would you want out of a club?**

Your Alternatives:   
**What kinds of clubs are available?**

Creative Alternative:  
**What club would you like to see – what would it take to found your own club?**
