

## Personality Type

Know your preferences, strengths, and weaknesses.

The MBTI® describes personalities along four dimensions of preferences.

1. In an internet browser, go to <http://www.humanmetrics.com/cgi-win/jtypes2.asp> and complete the "test" which is rough indicator and has no right or wrong answers.

2. On the humanmetrics.com Jungian Typology indicator I scored as an:

--	--	--	--

3. The numerical score was:

**What does this mean about strengths I can take advantage of and weakness I need to watch out for?**

**Questions I still have include:**
